This is an Endeavour in good faith to assist deserving Shia ithna Ashari aspirants and is subject to back -to- back funding by prospective donors. This effort will need time to start working & hence we request patience.

Filling the form, in no manner implies that the funding will be approved and/or offered.

Response to applications and contact will be initiated at the discretion of the facilitation team and on a need basis.

Your Educational and career decisions should therefore not be dependent on any anticipated funding by the way of filling this form.

The Application will remain confidential within the Aid Organizations & Prospective donors, and will not be in public domain.

### **Dear Community Members/Aid Organizations/Teachers/Mentors/Donors**

Please visit [EPIIndia.org](http://EPIIndia.org) & support this effort in way you can, to ensure community children are not deprived of School Education due to inability to pay fees.

Higher education Aid, Career - Counseling & Mentoring, are also planned for future efforts.
